

Lead UX Designer

Why we love working at Helium:

Our motto is be honest, take pride, and do amazing work. We put our team first and deliver results to our customers.

We believe in doing the right thing, treating people well, and building a company where we would want to work. We hire, promote, and reward based on performance. We don't play politics or favorites. We work hard and have fun along the way.

We take a lot of pride in having worked with clients in a wide range of industries, including Healthcare, Retail, Field Service Management, and Sports Entertainment.

About the gig:

We are looking for a research driven, senior user experience designer that is ready to help develop and lead a UX team alongside our leadership team. We are seeking a leader with strong research skills and proven track record of creating elegant solutions for complex problems. You will be expected to deliver great results and help mentor your team.

The experience we expect from a Senior User Experience Designer:

- Research (3+ years)
- Graphic Design (3+ years)
- Proficiency with appropriate design tools: Sketch, Adobe XD, Adobe Creative Suite, etc.
- Ability to lead discovery sessions, research, ideating, and designing clickable prototypes and hi-fidelity mockups
- Ability to facilitate design sprints
- Ability to collaborate in cross-functional teams
- Ability to communicate design ideas and decisions to stakeholders, project managers, and developers.
- Leadership experience
- Bachelor's Degree (not required, but a plus)
- Project Management experience (not required, but a plus)

A few of the perks:

- You will be eligible for our 100% covered health insurance
- You will have the opportunity to work alongside a leadership team who truly cares
- You will be joining a company experiencing rapid growth
- You will receive a free gym membership
- Enjoy free snacks, drinks, and coffee every day
- Free lunch twice a week
- We have a modern, open office with an accessible rooftop in the heart of Buckhead

How to Apply:
